

OLYMPIC STEEL

Job Posting

Posted 11/22/2013

The following positions are available:

1st Shift

Tube Driver/Warehouseman

Candidates that apply for the above listed position must understand and be willing to complete the responsibilities of all the job activities required to and must at a minimum, meet and/or exceed the qualifications listed below:

The Tube Driver/Warehouseman's main responsibility is to make all deliveries to local customers. The Tube Driver/Warehouseman is also responsible for performing job activities (tasks) associated with the fulfillment of customer orders, which includes the material movement and processing through receipt, production and shipment of the tubing. Responsibilities include, but not limited to:

- Make local deliveries using a Straight Truck. Deliveries will range as far South as Columbus, OH; West- Sandusky, OH; East- Pennsylvania/Ohio border.
- Operate and maintain material handling equipment to safely lift and move loads in a controlled manner.
- Operate tube cutting saw and other equipment in order to meet the customer packaging requirements and specifications.
- Complete all associated paperwork and computer work with the inbound, outbound and stocking of tubing material.
- Perform certain maintenance and troubleshooting activities on the equipment used.
- Package material per customer requirements and job specifications.

Qualifications/Requirements:

- CDL Class A with good driving record required.
- High school diploma or GED.
- Working knowledge of general computer programs strongly preferred.
- Prior warehouse, side loader, forklifts and crane operation experience preferred.
- Mechanically inclined.
- Highly reliable
- Must meet the physical qualifications to run all equipment/machinery for processing the tubing material.
- Production oriented.
- Safety and quality conscious.
- Team player.

Please remember the Employee Referral Program – a bonus of \$250 is paid to any employee that refers a candidate to Olympic who is then hired into a full-time regular position and successfully performs in the position for at least 90 days.
